Toronto Is Host to Ontario Conference; Race Relations, Budget to be Discussed

ON THE

MERRY - GO - ROUND

By TOSH

Mike Masaoka Said:

The May issue of Readers Digest carried an article "Mr. Masaoka goes to Washington," in which the writer extolls the talents and achievements of Mike Masaoka at great length. "He stands without peer among the thousands of lobbyists in Washington," are his words: And deservedly so; for Masaoka has accomplished wonders for Japanese Americans and America. But the fruits of his labour do not end at the 49th parallel. In many ways, directly and indirectly, we have benefitted from Masaoka's efforts.

Masaoka told us when he was in Toronto in 1947 for the organizational conference of the JCCA that his organization, the JACL, was going to press the government to make full compensation for the losses suffered by the evacuees. Eventually, when the whole unpleasant affair is relegated to the musty pages of the past, it will have cost the US government so much that, if they should ever again contemplate similar action, the very costliness of the World War II evacuation of Japanese Americans will deter them. Those are not disloyal or selfish words: they are the words of a loyal American fighting to remove blemishes from America's pattern of justice.

Masaoka urged Japanese Canadians to press for everything they believe they are entitled to. He reminded us that if Canadian evacuees were to accept an unsatisfactory settlement it would jeopardize a satisfactory judgment on US claims.

We wondered then how the losses of Japanese Americans compared with ours. Sure there are a lot more of them. But then in the US, the custodian did not dispose of evacuee property as Canada.

Yet, true to Masaoka's ..., the US government is in the process of hearing claims for evacuation losses. These claims ... the losses of almost every ... but do not exceed $2500.

The US restored American citizenship to the 1,500 segregees at the Tule Lake, Calif. ... centre who are ... Japan. The paradox ... [illegible] ... applying to the ... they might ... their citizenship ... return to Canada. The ... of the mass ... American status ... a group of Americans ... who are ... American passports ...

The coming date of the Ontario Provincial JCCA Conference has been advanced to June 11 and 12, it was announced recently by the Ontario District Council. The conference will take place in Toronto with the Toronto chapter JCCA being the host. All meetings are to be held at the Canadian Legion Memorial Building 22 College Street.

With race relations and inter-race groups as one of the important topics to be aired at the meetings, Hugh Wolfer, Community Counsellor for the City of Toronto, is expected to be the main speaker for the conference. Other important matters to be earmarked for discussion are the budget, the selection of delegates to the National JCCA Conference in the late fall, to be held at Lethbridge, and the provincial organization for the next term.

Socially a banquet and a dance has been arranged by the Toronto chapter.

The Essex chapter named George Takeda, Tammy Maruhashi and Toyo Takata to be the official representatives.

Starting Next Month Saturday Issues To Have Eight Pages

The New Canadian is growing bigger. Next month, starting with the June 4 issue, the Saturday edition will contain eight pages. This is to be apportioned into three pages of English and five pages of Japanese.

The date when the new rate will become effective will be announced on June 4 and will appear on the issue of that date. Those renewing or extending their subscription are urged to do so while the lower rate is still in effect. New subscriptions will also be accepted at this rate at the present time.

Girl Pursues Newspaper Career Overseas; Margaret Inouye Leaves for London, Paris

EUROPE BOUND

QUEBEC, Que. — In pursuit of a journalistic career, Margaret Inouye, 1949 graduate from McMaster University in Hamilton majoring in political economy, embarked from Quebec on April 21 for England. Hardly had she been conferred a degree at Convocation on May in Hamilton, she left for her embarkation port here.

Her immediate destination is London where she is taking a newspaper post, then plans to move on to Paris and other European capitals. The 26-year old Nisei graduate is hoping to take short time assignments in various cities abroad which will net her a wealth of European background knowledge. She plans to remain abroad for three or four years.

Last summer, Margaret, together with 48 other selected students, attended the summer seminar conducted by the International Students' Service in Germany. During her final year at McMaster, she was the editor-in-chief of the McMaster Board of Publications.

She is the eldest daughter of Mr. and Mrs. Yoshinobu Inouye of Winnipeg. Formerly of Mission City, she is a graduate of the Mission High chool and came to Ontario to continue her education in 1943.

Nursery Rhyme About Little Miss Muffet Is One Reason Why An Issei Studies Spiders

By STAFF WRITER

Spiders are gruesome, sinister things. Some of them are venomous. They come in all weird shape and sizes, are found in musty corners, and dark recesses. And the gigantic ones in tropical lands are frightening to even the hard-bitten. They are regarded as foreboding omen.

But according to Takanobu Kurata, Canada's foremost authority on spiders, they are fascinating creatures. In fact, it is this evil myth associated with spiders that has given cause for him to devote his time to one of the most awesome variety of insects. This study, by the way, which we fail to locate in the Webster version, is known as araneology.

Mr. Kurata whose sprightliness and energy belies his age, has spent a great deal of time in collecting various species and in research. He claims there are 1,000 varieties in Canada, half of which are to be found in Ontario. He has travelled through Canada in search of new species particularly in Ontario and British Columbia. To his credit goes the discovery of ten new spiders, most of which he has named after his associates and friends. One variety which he discovered in High Park, Toronto is called Pachygratha Kuratai.

At the Royal Ontario Museum where he on the zoology staff, the collection contains 50,000 spiders. He joined the Museum staff as an entomologist in 1911 when he came to Toronto after studying for an year in the United States. A native of Nagano-ken, he has lived in Toronto longer than any other Issei.

Since two years ago, his entire life work has been devoted to the study of spiders. He has written a book entitled "Spiders" which he has illustrated himself with pen and ink, and this book is now a High School reference book.

THE EXPANSION ANNOUNCEMENT

Uppermost in the mind of the staff for some time has been the need for increasing the pages of the Saturday issue. The present system of eight pages on Wednesday and four pages on Saturday is inadequate and unsatisfactory. This particularly applied to the English section.

While discussions about increased pages was one matter, the problems of putting this plan into effect was entirely another. Increased cost, added burden on the staff, organizational readjustment and other stumbling blocks are in the path of augmentation.

It is after a thorough exploration and review of the pros and cons of expansion from every conceivable angle under all possible circumstance that is has been decided to increase the pages of The New Canadian from twelve pages every week to sixteen pages weekly. The additional four pages will enlarge the Saturday issue to eight pages. This will be effected on the first Saturday in June, that is, June 4. Commencing with this issue, all subsequent Saturday editions will carry three pages of English and five pages of Japanese.

To discharge the heavier editorial work, an addition is to be made on the English section staff.

In order to meet the cost of the increased staff as well as the higher printing, paper and mailing cost it has been found necessary to increase the subscription rate from five dollars yearly to six dollars per year. In actual proportion, a one-third increase in the pages is to be absorbed by a one-fifth increase in subscription rate. However, there will be no increase in rates for a subscriber until his present subscription will have expired. And anyone who wishes to renew their subscription now, even tough it has not expired, he may do so at the present time, at the old rate. This also applies to any new subscriptions.

An announcement as to when the new rate will become effective will be made in the June 4 issue.

The ideal paper would be to have equal Japanese and English portion on Saturday as is the case in the midweek issue, but this fifty-fifty basis is entirely out of the question, as this would increase the cost to an extent that it could not be absorbed by the increased subscription rate. As Japanese type is our property it is much less expensive to put out the Japanese section.

Aside from the increased ages, it is our desire to continually improve the paper. And the staff has committed itself with that objective. Already several innovations are being planned. One which will become very apparent in the near future is the more liberal use of pictures.

We welcome at all times suggestions and comments from our readers for our primary purpose is to produce a publication which meets their satisfying perusal.

Laurentian Outing For M'real Fellowship

MONTREAL. — Rev. G. G. Wadsworth, Minister of Montreal West United Church was guest speaker at the Fellowship meeting, May 10, when a capacity crowd heard him give a talk on "Ottawa, the National Capital." He illustrated his talk with personally photographed slides.

Anyone looking for a healthy glow and a beautiful tan should put a large circle around Sunday, June 5, the date of the Fellowship outing to the Laurentian. Morin Heights is the actual destination, and a hike is being planned from there to St. Sauveur. The fare is $2.00 if there is a minimum of 25 people. For reservations phone Rei Nishio (Vi 5058) or Jeannine Tsuyuki (Tu 1054) immediately. Central Station at 9 a.m. DST, and don't forget your lunch.

Once again the Fellowship members are inviting their parents and Issei friends to their meeting on June 10. A special programme of relaxation and entertainment is being planned to provide fun for all. This meeting and the one on June 24 will be held at the Church of All Nations at 8.

Your Legal Problems

Your Lawyer

Many people think of consulting a lawyer only when they find themselves in trouble. Too few realize that a family lawyer, like a family doctor, is a friend at all times — to advise, to guide, and to prevent trouble.

Just as your doctor is trained to interpret and to apply the science of Medicine, so your lawyer is prepared by long training and study, to interpret and to apply the science of Law.

Only a small part of a lawyer's service to his clients involves infractions of the law. The majority of people are good and law-abiding. His most valuable work is in the buying and selling of property, etc., the handling of rents and mortgages the drawing-up of wills and contracts, and advising people in the making of investments. In his hands, these transactions are handled accurately and in conformity with Civil Law, and safeguard the client and his family from any future difficulty. Bad investments, and serious financial loss may often be avoided by consulting your lawyer as to the safety and dependibility of proposed investments.

cause of service in the Japanese forces will be watched with interest.

Why the Difference?

It is to be expected that, living next door in a similar environment, Japanese Canadians should look at the treatment being accorded their American cousins and wonder why they should be treated so differently.

We have discussed the matter with many of our friends. Some of the mare quite indignant and rightfully so. They can't understand why there is such a great difference. Many of them still believe that the government, having given some indication of being aware that their evacuation policy was not in keeping with the best tradition of democratic and Christian ideals, would eventually listen, if not to the evacuees alone, to the many angry voices of people who, many having being freed of the prejudice caused by mass-influence so flagrantly displayed during the war, would demand that the evacuees be fairly compensated for the injustices.

Then there are those who, in the oft-practiced "shikata-ganai" manner, say "but that's America, not Canada." This last statement strikes a sour note. Not that we don't realize there is a vast difference in the wartime and subsequent policies of the two countries. But that we do not have sufficient faith a nd confidence in the democratic quality of, first, our government to right the wrong and, second, of our fellow Canadians to demand of their government that such be done.

Why the difference? There is little doubt that much of the blame must rest with our government. But then the government will often act only at the direction of the people. Are the Canadian people, then, not sufficiently zealous in their defense of justice? It would seem so. It is difficult to overlook the possibility that part of the blame is with each one of us in not considering the matter serious enough to warrant more attention and effort. Perhaps, we lack the leaders that the Americans have; leaders who have the courage and will to fight till justice is done.

A fashion-and-beauty article

Our Little Woman

By JACK NAKAMOTO

It's not amiss to beat the drums a little for our little woman—yes, namely, our Nisei girl who isn't too awkward when it comes to the art of straight make-up of the face and, sewing, too; at least, in comparison with her hakujin sister. She's a wee bit of a feminine bundle, adorably cute, though perhaps likened to a scared kitten arched up defensively.

"Good things come in small packages", someone once said. Perhaps the quotation can be applied loosely as well to mortals with a slightly spiritual quality. It's not seldom then that we find an aura of "cuteness" about small creatures, be they puppies or Nisei girls.

Our little woman is sometimes size 12, usually size 14 and 16. When buying a dress, she often finds the waistline is too low, which automatically makes the hemline too low for her, too. And nobody can deny that the top front is usually baggy for her for the obvious reason. The sleeves are also too long, so our poor little woman goes about doing alterations here and there, and all over. It's small wonder that she's a fireball at sewing.

She's certain to choose a "little black dress" as one of the basics for her wardrobe, as nobody can go wrong with it. Black, navy, and dark neutral colors generally, tend to make her look smaller. However, they're so much the better in that they are the very colors which help to accentuate our Niseiette's petite figure. Dark, dull shades are light-absorbent and don't reflect or throw back any light-rays as white or light colors do. This can be readily tested when a piece of dark material is held up under a strong light, preferably under the sun near the window, and it can be seen that the material doesn't reflect its light against the wall, whereas light material does. White dress has a tendency to diffuse light beyond its area, thereby imparting an illusion of being larger than it actually is. On the other hand, black soaks up and condenses light within its confines.

Black is also becoming because it serves as an ideal border around the major centre of interest, which is the face, of our little woman. Her jet-black hair frames her face at the top and at the sides while the black dress itself will serve as a wide bottom margin. he's now a walking picture of dignified beauty, especially if she has a rich, pink glowing skin.

She's fairly adept in patting her face with powder—oh, ever so gently that the final result is not the "painted" look, but almost a natural one, with skin surfaces barely covered, and dispensing that vision of loveliness. However, where falls short is probably in cor- tive make-up. For example, she has too broad a nose, might do well to learn to ap- a lighter shade of founda- along the bridge of her nose a straight line and, with a dar- tone down around the lo- sides. Furthermore, she mig- widen her eyebrows a bit, And presto! She's a better- ing femme for all that. All of course, takes a little prac- and patience, but the end res- is well worth the effort.

Thus, our little woman bear well in mind that she tainly can capitalize in her right on the special charm the little things about her.

This is a first in a series articless by the exponent of Buxom Look. In a short note writes, "I feel that a dress signer, being an artist also have a working knowle of hair stylings, facial make posture routines and exercis so that he might produce an ov all picture of feminine pulc tude."

The continuance of this ser is dependent upon the interest the feminine Nisei readers. The writer requests comments suggestions as well as fashion or beauty tips that of particular benefit to the Nisei sisters.

長篇小説　星は見てゐた

藤澤桓夫

〔第四十六回〕

或る變化

彼は、あの娘の面影を追ひ拂ふやうに、机の横に坐つてゐる佳代を見た。

佳代は、なゝめの横顔を見せて、机の上に置かれてあつた今週の週刊雑誌のページを無意味に繰つてゐる。——彼女もしきりに何ごとか考へこんでゐる表情だ。一體どんなことを考へてゐるのであらうか。……

彼女のその斜めの顔はやはり驚くほどもみづみづしい美しさに靜かに輝いてゐた。

——こんな美しいひとゝ毎日のやうに會つてゐて、今までその美しさに氣づかなかつたなんて、おれはほんたうに何んと言ふ鈍感な男だらう。

八十二は今更のやうにさう考へずにはゐられなかつた。

それは、今までだつて、社の先輩の妹であるこのひとを美しいひとだと思つて、附き合つて來てはゐた。しかし、これほど美しいひとだとは氣がつかなかつた——と言ふのが、彼の僞りのない氣持であつたらう。

——このひとはこのおれを一體どんな風に考へてゐるのだらう。……

急に八十二にはそのことが妙に氣になつて來た。

——このひとの手を取つたら、このひとはどうするだらう？……

八十二は、そんなことを考へた自分に驚き、赤面しながら、しかもなほ、考へて見ないではゐられなかつた。

彼女はびつくりするだらうか。露骨に彼を輕蔑した表情を示すだらうか。恐つてさつさと歸つて行つてしまふだらうか。それとも。……

——ばか。おれは一體何をつまらないことを考へてゐるのだ！……

彼はあわてゝ自分を叱りつけた。

——第一、おれ自身のこのひとに對する氣持はどうなのだ？　今まで一度だつて異性として考へてみたことなどなかつた筈ではないか。ただ氣の置けない友達として附き合つて來ただけではないか。……

この反省も來た。

しかし、それにしても、今夜に限つて、今まで一度も考へてみたこともないそんないろんなことが、彼女に對して考へられて來ると言ふのは、一體これはどうしたことなのだらうか。……

彼がいつまでも默つてゐると、ふと佳代が鋭い不安でも感じたやうに、その白い顔を彼の方に向けた。そして、探るやうにそつと彼の眼を見た。彼が何か自分のことを考へてゐる結果に違ひないと、若い女の敏感さで覺つたのに違ひない。

八十二は、彼女を安心させるために、何か氣輕な冗談でも言ひたいと思つた。が、彼のその意思に反して、心は變に氣むづかしくなつた。——

彼は、彼女の眼を見返したまゝ、相變らず默つてゐた。

彼の沈默は彼女をますます不安にしたらしい。

彼に向けられてゐる彼女の眼のなかには、おそれとも、微笑とも、哀願とも、期待ともつかぬ落着きのない色が次第に濃く現れて來た。

それが八十二を餘計あわてさした。彼は自分までが變に息苦しくなつて來るのを覺えた。

彼は、急いで眼を外らせると、少し赤くなりながら、

「その邊少し散歩しないか、佳代さん。」

と、出來るだけらい落な聲で言つた。

それを聞くと、佳代の眼のなかにも、始めて、ほつとした色が浮んだ。

「ええ。」

彼女は明るく答へた。

「うむ。それから君の家へ行かう。白畑君ゐるんだらう？」

「ええ、ゐるわ。」

「ぢや、出掛けよう。」

八十二は立ち上つた。

「ねゝ。」

彼らは、顔を見合はせると、いつものわだかまりのない微笑をはじめて交し合つた。

無いものずくしの日本

ただ有るものは人だけだという感

【東京、五月十二日發】京都の大會を了えて東京に歸った私は連日連夜の集會で忙しく過ごしている。昨日は共同通信社の東信夫君をたづね、苦難を克服しつゝ努力している姿に接してうれしく思った。寫眞をとられるやらインタービューされるやらで恐縮しているが、今週中にはレヂオ放送も出來るであろう。

◇

私が日本に來て受けた印象は東京でも大阪、神戸でも表面は可なり復興しているということである。しかし此の小さい國に斯くも多數の人が住めるとは、一種の奇蹟としか思えぬくらい、どこえ行っても人ばかりだ。省線電車で千葉から東京驛に朝九時頃着いた時の如きは、全く文字通り押しつぶされそうで、生命からがらというところであった。日本に今有るものは人ばかりだという感じがする。家を建てるには木がない。料理をするには燃料がない。旅をするには十分な汽車も汽船も自動車もない。鐵道は石炭がなくて困って居るし、自動車はガソリンがないから木炭をたいているのもある。着るに着物がないから殆どすべてがツギハギの衣服をまとうている。學校に行くにも十分な學校がない。何もかも無いものづくしである。しかし此の中にあって日本國民は案外平氣でやって居るようである。

◇

こうした不自由な同胞の間に私は傳道旅行をつづけているのであるが、不思議なほどに珍客扱いされて愛される。感激あるのみで感謝の言葉がない。私は京都の平安女學校、立教女學院高等部、[illegible]學園、立教中學校、香蘭女子學院等の各學校で講演をたのまれ、今日は有賀千代吉氏が主宰する立教小學校でお話をする筈であるが、すでに數回の講演で感じたことは、今日ほど日本の青年男女や學生が眞剣に道を求めて居る時はないと思う。共產黨員が東京驛前で大きな聲で黨の新聞を賣っている。今日は、教會も今少し元氣を出してもいゝ筈だと思う。日本は今目ざめて來なければ、立ち上る時は來ないだろう。日本ばかりではない。今日は、人々は世界的にならなければ時代おくれとなって役には立たぬ。物はなくとも強い心があれば其所からすべては解決する。今日の日本に必要なものは其の強い精神力だと思う。世界を考え、永遠を考えるものは、どうしても世界共通の宗教、宇宙の眞理なるキリストの教えを知らねばならぬ。たとえ取るに足らぬ小さな私ではあっても再建日本の精神力を助長するために幾分でもお役に立てばと念じながら、此の意義ふかい旅をつづけたいと思う。（中山吾一）

【クベック發】典型的なフランス・タウンのクベック市で日本展覧會が五月一日から八日間に亘つて開かれ大好評を得たが、一般參觀者の「この種の催しを度々見たい」との要望にこたえるため來る九月には再び「日本展」が開催される豫定である。この催しはヴインセン・ブリオート神父の主唱によつて始められ、遠々モントリオルから日系婦人がクベック市に出張、神父に協力して見事な日本展覧會が出來上つた。出品中には美麗な屛風、着物、繪畫、漆器、人形等があり、加うるに日本獨得の花立ての實演、日本踊りに茶道の紹介等々で見物人は「ワンダフル」と絶讃。この日本展は成功裡に終つた。

市協代表がバード判事と會見

要求者の意向を詳細に説明して賠償率の増加方を要請

全加市協の田中書記長、小畑前會長及トロントの賠償要求者特別委員會の新善太郎氏は五月二十日朝、トロント訪問中の賠償要求調査員バード判事と、ブリューイン、ハンター兩辯護士も立合いの上で二時間に亘り會談することが出來た旨全加市協から發表されている。先づ田中書記長は、市協が賠償問題に關して要求者側の辯護士やコーペラチヴ・コミテーと協力して來たことから、最近コミションが提議した解決方法に對する要求者の意向聽取につき市協の全國的機關が使われた結果、市協としては要求者の意見をよく知つている事を説明して、次の諸點を指摘した。

賠償率の低いのに不滿

總括的解決方法の原則だけを受諾

△要求者は總括的解決方法（オヴアーオールセトルメント）が時間を省く上に有利であることを知つて居り、意見をきく事が出來た要求者の内八〇乃至九〇パーセントはその方法を受諾する意向を發表したが、それは大部分が決して滿足している事を示すものではなく、賠償率の低い事に大きな不滿がある。要求者からの手紙、市協支部からの要求者の會合結果報告の手紙や電報は「大多數は解決方法の原則は受諾するも、ばい償率を増加すべきである」事を強く希望している。

△日系人要求者は強制的總移動から起つた經濟的理由のために、ホームや農園その他のプロパテーを賣おうとしても、カストヂアンから得た財産賣却の金と政府から受けるであろうばい償金を加えてもビーシー州にいた時に所有していたものと比べ得るものを購入する事は不可能である。

△普通な場合では要求者は個々に判事の前で意見を述べる機會が與えられるが、總括的方法ではコミションはその手間を省く事が出來る點に十分の考慮を拂つてばい償率を良くすべきである。要求者の中には老人も多く、一生かゝつてビーシーで築いた生活の基礎を根こそぎにされ、カストヂアンから受取つた財産賣却の金は極めて少く、生活再建に關して政府のばい償に大きな望みをかけている者が多く、彼等の要求額に近いばい償を豫期している者が多い。

不公平のない様に

有らゆる種別の要求に全的考慮を

代表者はコミションに對して有らゆる權利の要求に全的考慮を拂う必要がある事を強調し、總括的解決方法の原則により提議されている割合以上のばい償を當然受けるべき資格のあるものが見落されるような事があつてはならぬ事を注意し、晩市内その他の住宅が賣られた際に政府の借家統制規定のために五百弗から千弗の値下りがあつたという點が要求者の損になつてはならぬことをも指摘した。

△小畑氏は「公正なる市價」に關連して、誰人よりも最もよくそれを知つている要求者自身の見積りを、もつと重く見るべきである事を主張した

△新氏は「コミッションは要求者が公正なる割合のばい償を受けられると思つているかも知れないが、大部分の要求者は然うは思つて居らず、提議されている解決方法により受けるであろう額は、彼等が當然受けるべきだと考えている額とは遙かに開きがあるものである」ことを指摘した。

●六月から毎號八ページ

▲ニューカナデアンは現在水曜日に八ページ、土曜日に四ページ、都合一週間に十二ページを出しているのでありますが、愛讀者諸氏の支援と激勵と、更に擴張せよとの要望にこたえて、六月一日からは水、土兩日ともに八ページづつで一週間に十六ページを出すことにいたします。

▲ニューカナデアンは先きに週一回發行から週二回發行に進んだときにも購讀料は元のまゝに据置いてやつて來たのでありますが、その時以來の増頁に、さらに今回のページ數増加による印刷や郵送費の増大や増員等の色々の費用のかさみを埋め合せるためには、購讀料を一年一弗引上げるほかに道がありません。購讀料が一年五弗から六弗になる代りにページ數は十二ページから十六ページに増すので實際の割合から言えば、ページ數は三分の一増加するのに對して料金は五分の一しか増さないことになります。何うかこれらの事情を御諒解の上引續き一段の御支援をたまわるよう願い上げます。

▲新らしい一年六弗の購讀料は、現在すでに購讀料を先き拂いされている方の料金が切れるまでは適用しないことにいたします。そして新らしい料金率を何時から實行するかは六月四日の紙上で發表いたします。現在の料金率が適用されている間にドシノーと購讀料をお拂込下さると、それだけ得になるというわけです。新らしい購讀申込みも當分は現在の料金で受け付けます。愛讀者諸氏は一人でも多くの新讀者をおすゝめ下さることにより、本紙を更に良くするために御協力下さい。

上海の一角を突撃

擊退せりと國民軍では發表

【上海發】陸海空と完全に中共軍によつて包圍されている上海攻略戰はいよいよ激化しつつあり、廿一日の上海發電によると廿隻の船隊を組んで黄浦江を渡り突擊して來た中共軍は上海北部を攻略したが國民軍は之を砲擊して退散したと傳えている。この戰鬪で多數の船が轉覆され多くの中共軍が溺死したと國民政府は發表。この渡河戰は上海中心街北方八マイルの揭浦で展開されたもので、對岸に布陣した中共軍の堡壘並に機銃掩護の下に敢行。市内から砲聲のとどろきが聞え、黄浦口の對岸に舉がる火焔が望み見られる。國民軍は直ちに同河堤坊に重砲を配置、中共軍の大規模の渡河進攻に備えている。（中共軍は一萬二千の戰死者千五百の捕虜を出し機關銃一〇五を奪取されたと國民軍側では發表している）

內爭益々深まる

【廣東發】內戰最後のあがきにあがく國民政府は、戰局が日々に惡化險惡するのをよそに政府を台灣か重慶に移す移さないと內輪もめの最中。そこで李宗仁を頭目にするか蔣介石を立てるかで論爭が重ねられている。李宗仁は南支で雜兵をかき集めて抗戰作戰を主張し蔣は台灣に逃げてここで、中米ソ戰が突發すればアジアの反共連合國の一人として再び主權を握ろうとの野望を捨てていない有樣である

Takeda Insurance First, Montreal Second

Roy Hayashi of Montreal is Tourney's Top Man; Montreal Girls Win as Outside Teams Impress

A team that finished out of the money in league play ignited by Johnny Takeda's superb effort rolled 5,479 pins to win the Third Annual Eastern Canada Nisei Open Bowling Tourney held on Saturday. Montreal NAC No. 1 team finished second with 5,361, and O.K. Cleaners pulled up in third place.

Girls from Montreal with 3,063 pins, captured the women's trophy, followed by Toronto YBS, and Hamilton No. 1 team.

It was the third and final game that won for BTI as they totalled 1,246 points. The make-up of the winners was Sandy Ono, George Kitamura, Tak Hayashida, and Johnny and Bill Takeda.

Individually Roy Hayashi of Montreal was highest in both triples and singles with 831-375, and Johnny Takeda runner-up with 767-361. As individual awards were limited to one, they won only the high triple and high high triple prizes respectively. Runner-up prizes went to Dick Nishino of Toronto (O.K. Cleaners) for high triples and Tak Hayashida of Toronto (BTI) for the singles.

Suzie Oikawa of Hamilton won the girls' high triple with Lee Ikegami of Montreal taking second place. Sumi Kato of Toronto YBS took the high singles nosing out Shirley Morita of Toronto Strikettes.

20 teams in all, 22 in the men's section, took part in the tournament. Hamilton was represented by four men's and two girls' teams, while Montreal brought three men's and one girls' teams.

FOOTNOTES: Toki Yoshida was the key factor in the successful execution of the tourney as he gave up his chance to take part in order to organize and carry out the affair. . . . Tourney officials are grateful to everyone who contributed towards making the tournament a success.

Ragged Fielding Aids West York Cause

An extra-basehit robbing catch by Outfielder Toki Toyama in the eight was the only bright spot for the Westerns as they could nick Gostlin, West York pitcher for only four hits, while fumbling afield as they went down 10-4 on May 21 at Eglinton Park. Kenny Ohara started on the mound for the Westerns and was replaced by Ike Oka.

Rain Fails to Stop Washimoto in Sweep

More than forty fairway bugs slogged through the shower on Sunday, May 22 in their first sweep of the year at Cliffside Golf Course in Scarborough. Dan Washimoto stroked through the 71-par course, with 76 and with a six-handicap, it gave him a one-under-par net of 70. Tied with him was 26-handicapped Tom Sagara.

Top results were: Dan Washimoto 76-6-70; Tom Sagara 96-26-70; Shiz Matsbuba 88-17-71; Ken Nozaki 91-18-73; J. Kawaguchi 99-26-73; H. Yamanaka 99-26-73; T. Umezaki 86-10-76.

24th of May Opening Postponed Until 28th.

Because the stadium at Earlscourt Park could not be ready by the 24th, the official opening of the West Toronto Senior League will take place instead on May 28. A doubleheader is on tab with Westerns meeting Mayfairs in the second bill at 3:15. Opening ceremonies begin at 1:45.

Future games:

Westerns vs. Mayfairs, Sat. May 28, 1:45.

Westerns vs. West York, Thurs. June 2, 6:45.

Westerns vs. Mahers Sat. June, 4, 3:45.

TASHME GROUP OUTING

Times awasting, there isn't much time left to place your reservations in for the Tashme Group Outing on July 1; this outing is open to all former Tashme Stars, Guides, Cubs, and Scouts and their friends. Because of the great demand for chartered buses on July 1 the committee is forced to impose a deadline of May 31. Please cooperate by sending in your name and address and that of your friend, if any, to the committee as soon as possible. Don't be an old stick in the mud and say, "Well, maybe"; make up your mind now to go and have a whale of a time.

Montreal Nisei Display Offensive Power; Ex-Asahi Yuki Uno, New Pilot for Team

MONTREAL. — Playing before an overflow crowd of 4,000, the Montreal Nisei got off to a flying start in their City Baseball League race, as they showed amazing power at the plate in fashioning a convincing 14-3 Victory over Excel Bakeries on May 15. The Nisei batters blasted two Excel pitchers for thirteen solid knocks, including two roundtrippers, four triples, and three doubles. Pacing the attack was Ki Konishi who slammed two homers and a double.

On the mound, Nobby Ogura came through with a masterful performance limiting the opposition to six hits, all singles and striking out eight while walking only two.

SIDELIGHTS

11 teams make up the City League including five suburban clubs. The league is playing a better calibre ball as the teams have been bolstered.

The Nisei team lost the coaching services of Ty Suga who found it difficult to devote his time to the team. The highly popular and esteemed position the club holds in local baseball circles, is due in great part to the inspired leadership of Ty who brought the team through a difficult initial season last year. However, he will be retained as advisor and will assist the club whenever possible.

The managerial reins will be taken over by veteran Yuki Uno, former Asahi player.

In order to give everyone a chance and at the same time develop young players, the Nisei Club is sponsoring a Japanese League which will play Sunday mornings at Fletcher's Field beginning May 29.
